## 5 STEPS TO A KNOCK-OUT SHAVE EVENT!

### 1. PLAN

Find a venue, date and time.  
Whenever and wherever suits you best.

### 2. PROMOTE

Call 1800 500 088 with your event details and your sidekick will advertise your event via the World's Greatest Shave website. We'll send you some promotional resources to display, with even more available at [worldsgreatestshave.com](http://worldsgreatestshave.com)!

### 3. FUNDRAISE

Think of fun ways to raise money! We have some great tips online at [worldsgreatestshave.com](http://worldsgreatestshave.com), where you can also register as an event organiser and get access to some extra event tools.

### 4. ON THE DAY

Think of ways to make shavers feel comfortable, excited and proud of their personal commitment. Keep it simple. Thank your volunteers. Have fun! Collect hair clippings and ponytails.

### 5. AFTER THE EVENT

Bank any final fundraising and return any equipment we've lent you. Send hair clippings and ponytails to Sustainable Salons where it will be put to good use. To find out more details visit [worldsgreatestshave.com/going-green](http://worldsgreatestshave.com/going-green)
